Artist 1

- 1. What is the artist's real name?
 Anthony Del Rio
- 2. Do they have an artist name or alias that they go by? Tony Electric
- 3. Is there a signature "style" to this artist's work? What kinds of mediums do they use? Do they stick within one medium, or do they continually re-portray the same theme using different mediums? (3+ sentences)

 Anthony uses various types of paint on what ever blank space he can find in the city. He usually does big bubble lettered graffiti with lots of color. Usually, he incorporates some sort of lightning bolt/electricity markings to show others that it was made by him
- 4. What is the message of this artist? What are they trying to tell the world? Why do they create art?
 - He doesn't have a message in mind. All he wants to do is spread his art throughout the city for other people to admire.
- 5. Where were they born? How old are they now? Born in Seattle, Washington. He is 18 years old.
- 6. What does a day in the life of this person look like? Where do they work, or do they? (3+ sentences)
 - Anthony goes to Lincoln High School during the week. He works at Stoneway Hardware in Seattle on the weekends. Although the owner doesn't know it, Anthony steals spray cans from storage in the back of the store to use for his graffiti.
- 7. What kind of a teenager were they? (3+ sentences)
 Anthony never cared about school. He is barely passing his senior year classes. Only caring about his art, he would frequently draw in class. He would often get in trouble with teachers for talking back, but nothing further.
- 8. What is their dream or goal in life, or what is their idea of a perfect life, or do they have one?
 - All he wants is the world to know who Tony Electric is. He adores the idea of living a double life: normal guy by day, sensational artist by night.
- 9. What is one of their biggest fears?
 Getting arrested for vandalism
- 10. What is one of their favorite childhood memories?
 - His uncle Ricardo taking him around Seattle to show him the graffiti pieces he had done without anyone knowing it was him. Anthony was 13 years old and has been doing it ever since, only recently starting to do it in public.

Artist 2

- 1. What is the artist's real name? Julia Montgomery
- 2. Do they have an artist name or alias that they go by?
- 3. Is there a signature "style" to this artist's work? What kinds of mediums do they use? Do they stick within one medium, or do they continually re-portray the same theme using different mediums? (3+ sentences)

 Julia's style of photography is landscape photography. She mainly uses her Cannon DSLR camera and various lenses to take her pictures. She also uses her iPhone when she doesn't have her camera, but other than that, she doesn't use any other mediums
- 4. What is the message of this artist? What are they trying to tell the world? Why do they create art?
 Julia just wants to be able to share with everyone how beautiful the world can be,
- especially finding the beauty in nature.

 5. Where were they born? How old are they now?
- Born in Salem, Oregon. She is 26 years old.

 6. What does a day in the life of this person look like? Where do they work, or do they? (3+ sentences)
 - Julia is an early bird that loves to sit outside on her deck and read her books. She

- works as a part-time manager for a movie theater. Her next project is saving up enough money for an art studio.
- 7. What kind of a teenager were they? (3+ sentences)
 Julia was a very studious teenager. She was a perfectionist in school, getting As in all of her classes. She played French Horn in band and was very involved in her school's Photography Club.
- 8. What is their dream or goal in life, or what is their idea of a perfect life, or do they have one?
 - Her idea of a perfect life is a cozy house with many pets. She wants to run a full-fledged photography business one day.
- What is one of their biggest fears?Losing her SD cards or accidentally deleting her files.
- 10. What is one of their favorite childhood memories? Getting a Kodak disposable camera and taking pictures of everything when her family went on vacation. She was 8 years old when her family took her to Disney World in Florida.

Artist 3

- 1. What is the artist's real name? Vanessa Vincenzo-Santos
- 2. Do they have an artist name or alias that they go by?
- 3. Is there a signature "style" to this artist's work? What kinds of mediums do they use? Do they stick within one medium, or do they continually re-portray the same theme using different mediums? (3+ sentences)

Vanessa does not have a certain style, but she does love exploring different sculpting mediums. From clay to marble, Vanessa has created many sculptures that have made their way into art gallery after art gallery. She usually portrays floral patterns on her sculptures unless she is sculpting people.

- 4. What is the message of this artist? What are they trying to tell the world? Why do they create art?
 - Her message is that you can still make amazing things that people will love even when you get older and that you don't have to be a child prodigy to be noticed for your work.
- 5. Where were they born? How old are they now?
 Born in Buenos Aires, Argentina. She is 51 years old.
- 6. What does a day in the life of this person look like? Where do they work, or do they? (3+ sentences)
 - Her work is sculpting since she gets paid more than enough for her sculptures. When she isn't sculpting or having free time, she is going to exhibits and art galleries to showcase her artwork. She also frequently goes to auctions to buy paintings for her house.
- 7. What kind of a teenager were they? (3+ sentences)

 Vanessa was the most popular teenager there was. She had amazing people skills at that age and was an above average student. However, she did not have many talents, let alone any that could develop into something past a hobby.
- 8. What is their dream or goal in life, or what is their idea of a perfect life, or do they have one?
 - Her dream is to inspire people around her age to start doing what they want to do without fear of being exceptional at it.
- 9. What is one of their biggest fears? Spiders. She found a spider in one of the vases she made and has been terrified ever since.
- 10. What is one of their favorite childhood memories? Going to America for the first time when she was 17 years old. She went with friends, and they wanted to check out the Art Institute of Chicago in their travels. Vanessa thought it would be boring, but she went with them anyways. She has adored it ever since.
